December 21, 2021 -
Ontario based Toronto DUI Lawyer is proud to announce that they have been recognized as one of the best DUI lawyers in the region by thebesttoronto.com, a website that reviews and ranks local businesses within the city. The law firm has years of experience in helping their community fight drinking and driving charges.

In their list, thebesttoronto.com states, ?If you?re looking for a DUI expert whose practice is all about impaired driving cases, then look no further than Alan Pearse. Alan Pearse has been practicing DUI and DWI litigation for more than two decades now, so he?s defended more than a thousand people with all degrees of impaired driving charges. He?s even authored a book about breathalyzer certificates in Canada.?

A representative for the firm responds, ?Since the day we opened our doors, we have worked hard to provide reliable legal services for anyone who is facing DUI charges in Toronto. To see our hard work rewarded is truly a great moment for the whole team here at Toronto DUI Lawyer.?

The thebesttoronto.com list also points out that, despite being a Downtown Toronto based law firm, Alan Pearse and his team at Toronto DUI Lawyer accept clients from Mississauga, Ottawa, Markham and many

other neighboring communities. This allows clients from outside Toronto to seek legal help without having to travel too far out of their way. The list also shares that Alan Pearse and his services are worth every cent, as he is one of the most recognized DUI lawyers in the area ? so much so that even other lawyers reach out to him for advice on their cases. According to the list, Alan Pearse and his team are also easier to reach than other lawyers in the area. It states, ?He tries to answer client queries any time of the day, even if the query is sent during the wee hours of the night.?

The platform also shares customer reviews that attest to Toronto DUI Lawyer and Alan Pearse?s well earned place in the list of top DUI lawyers. Daniel McAdams says in their review, ?Found myself in a nightmare situation. Contacted Alan immediately. Put my total trust in his hands, and he exceeded all of my expectations. I paid for a first class, well prepared attorney who knew the best way to handle a complicated DUI, and that is what I got. I believe I got the best and now have my life back. Thank you, Alan.?

In another review, Brenda Eddy says, ?I paid Alan Pearse to do his job, and that?s just what he did. I was facing 2 charges on my first offence and had no idea what to expect! He was quick and to the point. I got my restricted drivers licence in 3 months and was able to live my life. Trial kept getting pushed, and I was told by Alan not to worry and he would take care of everything. The waiting was the hard part. A day before my trial was about to begin, Alan came and saw me and said he did his job! Really good at it. He found something that made all my charges drop completely! So glad I chose him! He wrote the book on DUIs. He knows his stuff. If you want the best, hire Alan Pearse! Thanks again, Alan for doing what you do!?

A representative for the law firm says, ?If you are facing a DUI charge, the first thing you should do is get in touch with a reliable DUI lawyer. We at Toronto DUI Lawyer not only rely on empirical data but also rely on information obtained by our DUI criminal lawyer who visits the site of the incident to get firsthand facts about the case. This additional step helps us to present a watertight defence and point out inaccuracies in the prosecution?s case and witness dispositions if there are any.?
