December 30, 2021 - PRESSADVANTAGE -

Jenkintown, PA - The Jenkintown Car Accident Lawyers, are excited to host their first webinar discussing the benefits of retaining a lawyer following an auto accident. To learn more about their other personal injury legal services, visit <https://justiceguardians.com/pa/jenkintown/>.

The Justice Guardians Jenkintown office location is 815 Greenwood Ave #22-A, Jenkintown, PA 19046. The legal staff can be reached at (814) 305-9007.

"We hope this webinar is the first of many to come. Our goal is to inform the greater community of their legal rights to seek financial justice following an auto accident. Navigating the legal process after an auto accident can be overwhelming and insurance companies fight to offer the bare minimum payout. By retaining an experienced legal team, injured drivers can be sure they will receive the maximum compensation they are rightfully owed," exclaimed the firm's managing lawyer David Petrone, Esq.

The Jenkintown car accident lawyers at Justice Guardians serve local residents but also assist the neighboring communities such as Foxcroft Square, Noble, Rydal, Hollywood, Rockledge, Wyncote, Glenside, Baederwood, Abington, Meadowbrook, Bethayres, Wyndmoor Estates, and Ardsley.

The legal team at Justice Guardians handle car accidents in addition to other types of personal injuries, including birth injuries, medical malpractice, bicycle accident, construction accident, workers' comp claims, sexual abuse, and child sexual and nursing home neglect.
