"We invite the community to join our next webinar discussing an important topic. Our goal is to inform the residents of Lyndhurst of their legal right to seek financial justice after an auto accident. Many times navigating the legal process after an auto accident is overwhelming. Insurance companies try to only offer the bare minimum payout, which may leave victims with medical expenses. By retaining an experienced legal team, injured drivers can receive the maximum compensation they rightfully deserve," stated the firm's managing attorney Gabriel A. DiLeonardo, Sr., Esq.

The Lyndhurst car accident injury attorneys at NJ Injury Guys serve local residents as well as the neighboring towns such as North Arlington, Avondale, Delawanna, Arlington, Rutherford, Nutley, Belleville, Bloomfield, East Rutherford, Carlstadt, Forest Hill, Allwood, Broadway, Silver Lake, and Glen Ridge, and Brookdale.

The legal team at NJ Injury Guys handle auto accidents of all types and provides legal service for personal injuries such as medical malpractice, birth injuries, construction accidents, workers' comp claims, sexual abuse, and nursing home neglect.
