Argan Beauty, a beauty company based out of Santa Rosa, CA, is promoting gifts from the Tree of Life this holiday season, with Argan Oil found at <http://arganbeautyoil.com/>. The company has expressed that the Argan tree is often referred to as the Tree of Life due to its production of an oil that is praised for many amazing properties. Argan Beauty hopes to encourage shoppers to consider purchasing a natural product like this one over the various unnatural options on the market.

They have said the following in regard to the tradition of giving oil as a gift: "Since the early days of Christianity, scholars and theologians have offered various explanations for the gifts of gold, frankincense and myrrh that the magi presented to Jesus. These valuable items were standard gifts to honor a king in the ancient world: gold as a precious metal, frankincense as perfume or incense, and myrrh as anointing oil. But history tells us that these gifts were honored much earlier than that and were among the gifts, recorded in ancient inscriptions, that King Seleucus II Callinicus offered to the god Apollo at the temple in Miletus in 243 B.C.E. Many people believe that this ancient history led to the tradition of the Three Wise Men."

Currently the company offers their oil for \$24.95 through their online sales channel at <http://www.amazon.com/dp/B00GDTVJ7A>. The product ships in an ornate black box with gold trim and an emblem of the Tree of Life on the front, and is described as being appropriate for males and females of all ages.

The Argan oil is used as a topical treatment for hair and skin, soothing cracked dry areas and producing soft and smooth exteriors. It is 100% pure virgin cold pressed and can also be used in men's beards, on cuticles, and cracked heels.

Argan Beauty encourages consumers to visit their social media account at <https://www.facebook.com/arganbeautyoil> for information on upcoming promotions and sales, and to consider Argan oil and the Tree of Life during holiday shopping this year. They have been open in their support of the age old traditions which this product represents.
