?Our car accident attorneys work with victims to help seek compensation. Often insurance agencies will try to quickly close cases and potentially not pay out the full amounts due. By hosting this webinar, we hope to help educate car accident victims in the legal process and what to do after getting in an accident. Not all car accidents are the same so hiring an attorney can help you navigate the next steps,? explained managing personal injury attorney, Aaron Blank, Esq.

The Pikesville personal injury attorneys service the areas of Reisterstown Station, Lochearn, Randallstown, Pikesville, Wellwood, Williamsburg, Brooklandville, Winands Valley Estates, Stevenson, Wildwoods, Anton Woods, Roland Park, Windsor Mill, Mt. Washington, Pimlico, Cheswolde, Central Park Heights, Fallstaff, Garrison, and more. Their local office can be found at 6810 Park Heights Ave. C4, Baltimore, MD 21215.

The Zoom webinar won?t be the last one the Pikesville Personal Injury Law Office will be hosting. There will be ?more webinars and community events to come. We look forward to answering questions about car accidents after our presentation. Stay tuned for our next webinar.?
