December 22, 2021 - PRESSADVANTAGE -

Based in California, Invest In Weed recently launched its new website to provide an online community for cannabis investors. The site offers the latest industry insights, information, and resources on cannabis for investing companies so that readers can be better informed. The site disseminates information for organizations, businesses, entrepreneurs, and chief stakeholders in the cannabis world.

Marijuana is the world's most commonly farmed and used drug, as the push for legalization at home and abroad is driving up interest in marijuana. According to New Frontier Data, the U.S. witnessed an estimated \$13 billion industry rising in 2019, with 340 thousand dedicated to handling the plants. Capturing the interest of researchers, investors, and manufacturers, the cannabis business is growing more lucrative than ever before. A total of 35 states have now legalized medical use, while 16 now legally allow adults the substance for recreational use. The numbers are expected to rise significantly in favor of legalizing marijuana across the United States, further increasing the market value.

The resources provided on Invest In Weed's new website cover all the sectors of the Cannabis Industry, such as financial, biomedical, retail, cultivation, labs/testing facilities, technology, supplies, logistics &

distribution, research and patents, and politics. Furthermore, the site's resources contain all the news and recent happenings from the cannabis world. The site is developed and run by a team of experts and industry professionals.

Invest In Weed's website explains the various phases of the cannabis business, from cultivation, weed plants growth stages, harvesting, trimming, curing, & storing cannabis seeds to procuring investors and starting a business legally. For more information on the cannabis plant and growth cycle, readers can visit their page; <https://www.investinweed.com/stages-of-the-cannabis-plant-growth-cycle/>.

If you're searching for resources on the cannabis industry, or considering investing in the business, you need factual information to move forward. Yet, with thousands of online platforms, sorting fact from fiction can be challenging. This is why we launched this website; to stand out as a trustworthy online platform for the cannabis business community. said the Invest In Weed Team, who believe investors deserve the unvarnished and authentic information on everything they need to know about the cannabis business.

Invest In Weed's website offers resources on marijuana cultivation, providing easily accessible information aimed at the cannabis investors' community. Readers can visit their page to learn more about cultivating cannabis plants; <https://www.investinweed.com/how-long-can-cannabis-seeds-be-stored/>.

One of the site's more popular services is proving to be their financial resources which feature news, trends, stock index, and other details about investing in the cannabis business. These resources aim at helping businesses and investors understand the financial side of the cannabis industry.

The site offers cannabis investors, entrepreneurs, and companies the opportunity to get themselves listed in their cannabis network listing directory for better outreach, attract leading cannabis capital providers and find potential customers and partners.
