December 30, 2021 -

Rockville, MD ? Vito Services, a plumbing company serving Rockville MD, is proud to announce that they have reached an impressive milestone ? 88 years in business.

James Vito Sr., a humble man full of dreams, opened Vito Services in 1934 in the middle of The Great Depression in Washington, D.C. To start, he offered his commercial plumbing services locally and then quickly was able to expand to a several-hundred-mile service area (in and around Maryland, Virginia, West Virginia, and Pennsylvania) once he turned his one-man company into a family business. Sixty years later, Vito Services expanded again, only this time by adding residential plumbing customers to their roster in D.C., Maryland, and parts of Northern Virginia. In no time, Vito Services broadened their expertise to include both commercial and residential HVAC in addition to plumbing.

"From our beginnings as a one-man shop on K Street, we've grown to become one of the largest and most successful HVAC and plumbing service companies in the area,? stated Michael Vito, owner of Vito Services,

in response to being chosen for the 10th year in a row as a Best Pick Certified Company by Best Pick Reports. ?For 87 years, we've delivered quality service and products and have established ourselves through integrity, trust, and respect for our customers."

As 2021 comes to an end, Vito Services will start its 88th year in business in 2022 with over 50 employees servicing a tri-state area. The company boasts an A+ Better Business Bureau rating, provides free estimates, 24/7 emergency service, online appointment scheduling, senior citizen and military discounts, financing options, as well as a one-year guarantee on parts and labor for all installations. Additionally, the Vito staff and technicians specialize in a whole host of new industry products from tankless water heaters to hydro-jet pipe clearing waterspouts.

The Vito Services team takes pride in always putting their customers first and providing consistently positive experiences with their well-trained staff and technicians. For more information on water heater repair, sewer line inspection, HVAC maintenance, or any other services they provide or to book an appointment, call (301) 315-6100 or visit vitoservices.com.
