Baytown, Texas ? The new year is almost here which means that it is the ideal time for business owners to start mapping out new methods to boost team morale and productivity. It is important that employees feel valued and to that end, Awards & Engraving, a provider of personalized gifts in Baytown, TX, is encouraging employee recognition programs to be implemented in 2022.

Every company operates differently, with distinct goals and unique work atmospheres. Therefore, it is crucial that business owners spend time thinking about the kinds of awards that will most validate team members. After all, ensuring employees feel validated is a vital component in regard to decreasing turnover and expanding productivity levels. With that in mind, awards can be given for all sorts of accomplishments such as for the best team leader, the top seller, most inventive associate, top new hire, and even just for congeniality.

These awards can be presented to employees in the form of plaques, trophies, statues, clocks, and more. Additionally, one award could be given out on a rotating basis. An example of this would be designing one ?Employee of the Month? trophy and passing it from one recipient to the next each month in addition to some sort of extra bonus like vacation hours or gift cards to local coffee shops or restaurants.

Awards and Engraving has been serving the Baytown community since 1991.
