Philadelphia, PA ? The primary sponsor of AbuseGuardian.com, Brian Kent, Esq., has announced the next webinar for the residents of Pennsylvania. To sign up for the event, visit their website: <https://abuseguardian.com/sexual-assault-lawyer/pennsylvania/>

The informative webinar will be hosted on January 8th, 2022, at 5 p.m. EST. on Google Hangouts. When asked what this webinar will be about, sexual abuse attorney Brian Kent, Esq, stated: ?We will be discussing the legal options for victims of school sexual abuse. This assault can unfortunately take place by trusted teachers, coaches or other employees at school. It is important for victims to come forward and to learn more about filing a sexual abuse claim against the school.?

?After the high turnout we received for our previous webinar, I thought it would be good to host another event for abuse victims and survivors. I know many are too afraid to speak up and don?t know what to do, so I hope this next webinar will provide them with the guidance they need,? Attorney Brian Kent continued.
