Bin Pro Container Rentals Provides Cheap Dumpster Rentals in Epping, NH

January 10, 2022

January 10, 2022 - PRESSADVANTAGE -

Bin Pro Container Rentals, a leading waste management solutions provider based in Hampton Falls now delivers cheap roll-off dumpster rentals to customers in Epping, NH. The company offers all kinds of waste management solutions including; construction, residential and commercial dumpster rental services.

The locally owned waste removal company is owned and operated by Mr. Jason Carnes, who discussed the services they offer in various New Hampshire cities at length. While the company was founded close to a decade ago and is still based in Hampton Falls, they have expanded to services customers in almost all the surrounding cities, with Epping being their newest area of service. The other areas in their delivery radius include Exeter, Hampstead, East Hampstead, Portsmouth, Brentwood, Dover, Somersworth, Stratham, Greenland, Hampton and all nearby areas.

According to Mr. Carnes, the company also provides roll-off dumpster rentals to businesses and residential customers located further away occasionally on special arrangements. Prospective customers can contact

the company directly by phone to ask for delivery and to get accurate estimates depending on their specific locations from the company's delivery radius.

Bin Pro Container Rentals offers a variety of roll-off dumpster options in Epping and customers with different types and scales of projects are accommodated. They offer 15-yard dumpster rentals with 1.5 tons allowed, 15-yard dump trailers with 1.5 tons of waste allowed and 20-yard dumpster rentals with up to 2-tons of waste allowed per rental. Customers who have more than the specified tonnage of waste to dispose of are allowed to dump the excess waste on their rental dumpsters at an overage charge of \$189 per additional ton of material. While the 15-yard dump trailer and the 15-yard dumpster rental can accommodate up to 4.5 to 5 pick-up truck loads of material, their 20-yard dumpster rental can accommodate approximately six pick-up truckloads of waste per rental. All their container rentals can accommodate a maximum weight of up to 5 tons, per container.

According to Mr. Carnes, Bin Pro Container Rentals offers the best dumpster rental pricing in Epping and all over New Hampshire. Based on the dumpster pricing information they have listed on their website, one can rent their 15-yard dump trailer at \$549, their 15 yard dumpster at \$599 or their 20-yard dumpster at \$699 for a rental period of up to 7 days. The company also allows for rent time extension at an additional \$20 per additional day, from the 8th day of the rental. Customers only need to notify the company by phone call or text of their intention to prolong their rental, at least 24 hours before the due pick-up date.

Bin Pro Container Rentals have listed their official business hours as between 7:00 AM to 5:00 PM, from Monday to Friday. They are closed on weekends and they do not make dumpster delivered or pick-up dumpsters, but customers can still request for emergency dumpster support. They also offer over-the-phone and online booking and based on information Mr. Carnes provided, the company also offers same day dumpster service in Epping and free consultation for all waste management solutions.

Anyone trying to find cheap roll-off dumpster rentals in Epping can find more information about Bin Pro Container Rentals through their website at <https://www.binpro.com/dumpster-rental-epping-nh/> or contact them directly through the contact details available below.
