January 10, 2022 - PRESSADVANTAGE -

Peak Disposal, a reputable waste management company based in Apex now delivers affordable, dependable roll-off containers in Raleigh, NC and all the surrounding areas. The waste removal company is one of the leading dumpster rental companies in North Carolina providing both residential and commercial waste disposal solutions.

Owned and operated by Christopher Prusik; the company offers both commercial and residential waste removal services in Apex, Raleigh and various other North Carolina cities including; Durham, Holly Springs and Fuquay Varina. Information on their website and backed up by Mr. Prusik shows that the company also services customers located outside their listed official service area radius when requested and customers only need to contact the company's representatives to make special arrangements and to get accurate online estimates for dumpster rental services.

Peak Disposal offers 15-yard dumpster rentals for commercial and residential waste management. Their

15-yard dumpster rentals have enough capacity to accommodate up to 6 pick-up trucks of material per rental and each roll-off container has a 2-ton weight allowance in excess of which a customer will need to pay an additional overage fee of \$50 per additional ton of weight. A customer can rent a 15-yard roll-off dumpster at \$285 for up to 7 days, with the possibility of extension at an additional \$10 per day, charged from the 8th day of the rental.

The company provides roll-off containers for use in clearing up a wide variety of different types of waste and can be rented for use in projects such as; yard maintenance, attic or basement cleanouts, garage cleanouts, junk removal, shed demolition debris removal, deck removal, following removal, shingles removal, commercial cleanout projects, industrial waste disposal, construction or demolition waste disposal and many such residential and commercial projects.

Mr. Prusik added that while they accept a wide range of different types of waste; they prohibit wastes such as; oils and coolants, car tires, medical bio-wastes, paints, Freon, insecticides, pesticides and other hazardous wastes. The company provides potential customers with a comprehensive list of wastes they allow on their roll-off bins and wastes they prohibit before signing the rental agreements. It is advisable to always check in with the company's representatives when in doubt as to what types of waste to throw in or not to dispose of inside a rental dumpster.

Peak Disposal also provides emergency dumpster rental services and same day dumpster rentals in Raleigh. Customers interested in their services can call the company to rent a dumpster or they can also opt to order online as the company has a 24-hour online booking service and provides online estimates. Mr. Prusik also mentioned that they accept various credit cards and that they also offer free consultation online, over the phone and in person. Customers can visit the company's offices at 3048 Curling Creek DR, Apex, NC during their business hours which are listed as between 7.00 AM to 5.00 PM, Monday to Friday and between 8.00 AM to 4.00 PM on Saturdays. The company has safety policies that require employees and customers to wear masks and they sanitize services and units between rentals.
