January 10, 2022

Lansing, Michigan - January 10, 2022 -
Lansing based waste management company, Simplified Dumpster now offers same or next day roll-off dumpster rentals in East Lansing, MI. The company wants local contractors, businesses and homeowners in East Lansing to know that they can access consistently dependable roll-off dumpster rentals affordable for same or next day delivery.

Speaking about Simplified Dumpster, their services and growth, Scott, the company?s spokesperson said that Simplified Dumpster is a local dumpster rental service that understands the waste removal needs of local homeowners and contractors and that they were committed to making roll-off dumpster rentals not only more affordable, but also more accessible to customers. He added that they have invested in a large inventory of various size dumpsters so that they could be able to accommodate the needs of every customer; being able to provide same day dumpster services to customers with time sensitive projects.

Simplified Dumspter offers residential dumpsters as well as commercial dumpster rentals. According to Scott,

their roll-off containers are designed to comfortably haul different types of waste, following various types of projects. Some of the project he mentioned that their roll-off dumpsters could be rented for range from residential projects such as; home cleanouts, garage cleanouts, furniture and mattress removal, yard maintenance, remodeling projects, renovation and other home improvement projects, to commercial projects such as; foreclosure or eviction cleanouts, storage and rental units? cleanouts, office and business cleanouts, office furniture and equipment removal and construction and demolition debris cleanouts.

Simplified Dumspter offers five different roll-off container options that customers can choose from. They offer 7-yard dumpsters that are designed for cement waste removal as well as 10-yard dumpsters, 15-yard dumpsters, 20-yard dumpsters and 30-yard dumpsters that are designed for waste removal, following various residential and commercial projects. While their 10-yard dumpsters and 15-yard dumpsters can haul up to 4 pick up truckloads and 6 pick-up truckloads of waste respectively, their 20-yard dumpsters are designed to accommodate up to 9 pick-up truckloads of waste. Their largest dumpster rentals, the 30-yard dumpsters can accommodate up to 12 pick-up truckloads of material.

The dumpster rental company provides roll-off containers at varying dumpster rental costs depending on the size of each bin. Customers can rent their 7-yard cement-specific dumpsters at $299 for 1-7 days. They offer their 10-yard dumpsters at $349, their 15-yard dumpsters at $399, their 20-yard dumpsters at $499 and their 30-yard dumpsters at $575 per container, for 1-7 days. The company has stated that they have one flat fee for a dumpster and they have no tonnage limits, so customers can toss all their trash or junk in a container without worrying about additional overage fees. Customers can also take advantage of their flexible rental terms and extend the period of their rental for $20 per day for additional days.

Simplified Dumspter is usually open for in-person visits from 8.00 am to 5.00 pm on weekdays and on Saturday from 9.00 AM to 3.00 PM. They also offer over the phone consultations, and 24-hrs online booking service, that customers can use to book their roll-off containers. Their Covid-19 safety precautions include; hand sanitizing, temperature checks, social distancing and their staff also wear masks at work.
