Local North Carolina dumpster rental company American Dumpster Co offers affordable commercial dumpster rentals in Shelby, NC, as part of their waste management solutions. The Crouse-based company is family-owned and operated and seeks to provide sustainable waste removal solutions to homeowners and commercial renters.

American Dumpster Co is based out of Crouse, NC. The company offers roll off dumpsters for commercial waste disposal, construction waste disposal, demolition debris disposal, storm debris removal, and residential waste removal. Besides Shelby, the company also services Gastonia, Lincolnton, Mount Holly, and Denver, North Carolina. According to Blake Johnson, the company's spokesperson, American Dumpster Co is also known for providing waste management solutions to customers in locations outside their delivery area radius. Mr. Johnson mentioned that they often make special arrangements to deliver further out and service customers with unique waste management. Interested customers can contact the company directly for a free consultation and accurate estimates.

American Dumpster offers two dumpster rental sizes in Shelby and all over their service area radius. They offer 15-yard dumpsters with a 1.5 tons? weight allowance per rental and 20-yard dumpster rentals with a 2-ton weight allowance per dumpster rental. Based on the company?s dumpster seizing information, their 15-yard dumpsters are designed to accommodate up to 6 pick-up truckloads of waste per rental. They are ideal for small to medium waste clean-up and junk removal projects. Their 20-yard dumpster rentals are more significant in capacity with up to 8 pick-up truck loads capacity per rental and are popular for use in medium to large waste removal projects.

American Dumpster Co offers flat-rate pricing for their roll-off containers based on their pricing information. Customers can rent them for a standard 1-7 days? rental period, with the option of a rent time extension. Their dumpster rental costs in Shelby begin at \$295 for a 15-yard dumpster rental and \$345 for a 20-yard dumpster rental for 1-7 days. Any customer can opt for a rent time extension at an extra \$10 per additional day from the 8th day. Still, they are expected to notify the company?s representatives a day before the dumpster is picked up. Any customer with more waste than the weight limit for their rental dumpster will be charged extra for the excess waste at a rate of \$65 per additional ton.

American Dumpster Co rents out roll-off dumpster rentals for commercial and residential projects. They have been rated highly on Google and across other online platforms, and they have many positive reviews and recommendations from reviewers. Their business hours range from 7.00 AM to 7.00 PM, Monday to Sunday, but they have indicated that the hours may change on public holidays. Blake added that they offer free consultations online, over-the-phone, and during in-person visits.
