PDL Waste Solutions Now Offering Affordable Dumpster Rentals In Brodhead, WI

January 12, 2022

January 12, 2022 -

A local Edgerton County dumpster rental, PDL Waste Solutions, is proud to let everybody know that they now offer affordable dumpster rentals in Brodhead, WI, and the nearby areas.

The company has been servicing Edgerton county for many years. Some of the cities it delivers dumpster rental services include; Janesville, Milton, Evansville, Madison, Fort Atkinson, Monroe, Cambridge, and Stoughton. According to Phil, the company's spokesperson, they frequently deliver dumpsters to areas far from their service radius on request. Depending on how far the delivery is from their nearest service area, renters may incur extra distance charges.

PDL Waste Solutions offers different dumpster options ranging from small dumpster rentals to large rental containers. They have four dumpster sizes which include; 10-yard dumpsters, 15-yard dumpsters, 20-yard dumpsters, and 30-yard dumpsters. They offer residential dumpster rentals, roofing dumpster rentals, construction & demolition dumpster rentals, and commercial dumpster rentals. Because they vary in size

and capacity, the dumpsters appeal to different customers depending on budget and the amount of material they can accommodate.

The dumpster rental services have specified weight limits for their roll offs specific to the size of a container. 10 yard dumpsters have a 1 ton weight limit and a capacity to haul up to 4 pick-up truckloads of waste while 15-yard dumpsters have a 2 ton weight limit and a six pick up truckload capacity. While a 20 yard dumpster can easily load up to 3 tons of 8 pickup truckloads of waste, 30 yard dumpsters can load up to 4 tons of 12 pick-up loads worth of material. PDL Waste Solutions charges $59 for every ton of excess material loaded above the container's weight limit.

PDL Waste Solutions offer all their dumpster options on a 1-10 day rental period which customers can choose to extend if they need to at a $10 per day extra charge. They also offer $30 off for 24-hour rentals. Their roll off dumpster prices range between $335 for a 10-yard dumpster, $365 for a 15-yard dumpster, $395 for a 20 yard dumpster and $495 for a 30-yard dumpster.

According to Phil, PDL Waste Solutions offers waste disposal options for projects such as: junk removal, garage & attic cleanouts, full house cleanouts, carpet removal, deck removal, constructions, renovations & demolitions, Yard cleanups, fence removal, and other projects.

They offer contactless payment options and accept both debit and credit cards. Renters can also use their 'call-to-book' option and are encouraged to call in for 'over-the-phone' consultations. The company has also ramped up efforts to limit interaction during the entire rental process to ensure that their customers and representatives are not exposed to the Covid-19 virus.
