Rockville Centre, NY - Businesses in New York, especially in Nassau County, are attracting numerous opportunities through the help of OverFund Capital which offers a variety of business solutions.

OverFund Capital can help businesses purchase properties for their operation, even though they do not have cash or assets to put as collateral. Commercial real estate properties can be office buildings, warehouses, manufacturing sites, self-storage facilities, among others. OverFund Capital offers a variety of commercial real estate financing solutions available at reasonable rates and periods.

The Commercial Real Estate Financing Nassau County, NY of OverFund Capital, can be used for an expansion, new equipment, or real estate purchase. OverFund Capital can offer different business financing tailored to the needs of their clients. They can also assist businesses with the application process to get capital quickly.

The company commits to providing clients with rapid, flexible, and cheap pricing to expand their company. "We have the finances you need, whether you require financing or a long-term line of credit," the company says.

OverFund Capitals says that the most common commercial real estate financing is the US Small Business Administration (SBA) offered in two programs. Under US SBA, these two programs are SBA 7(a) and SBA 504. Of the two, SBA 7(a), which is ideal for real estate acquisition, SBA 7 is more popular. To be eligible for this type of financing, clients must meet specific income, credit history, and even location.

Another type of Commercial Real Estate Financing By OverFund Capital is the Bridge Loan. It is usually short-term, ranging from six months to two years. Bridge Loans are generally for one of two reasons: the buyer plans to sell the property within a time range, or the buyer expects to dramatically improve their credit rating during that time frame.

Overfund Capital also offers Hard Money Commercial Loans to help a firm deal with cash flow or debt servicing issues by taking out a credit secured by property that the company owns outright.

"We're ready to help a business meet its growth needs," the company adds.
