"Our legal team works specifically with injuries sustained from slip and fall accidents. Sadly, not many of the Philly residents know their right to seek financial compensation. The city is home to many of the most common reasons slip, trip, and fall injuries occur, including uneven sidewalks, icy walkways, wet floors, and uneven or broken stairs," explained Keith Kofsky, the Philly Slip and Fall Guys' managing attorney.

"Our attorneys have numerous years of experience handling cases through negotiations and litigation. We can help injured victims choose the best legal action for their situation," Keith Kofsky concluded.

The Philadelphia slip and fall attorneys serve not only the Philadelphia area, but the surrounding communities such as Manayunk, North Philadelphia, Juniata, Chestnut Hill, Kensington, Roxborough, East Germantown, West Philadelphia, Harrowgate, South Philadelphia, and Port Richmond.
