January 20, 2022 - PRESSADVANTAGE -

[Kansas City, MO, 18th/January/2022] ? Precision Auto Sales & Service, a company offering full-service auto repair in Kansas City, Missouri has launched a new website design including new features. The website makes it easy for vehicle owners to get a quote while at the same time highlighting the company's most requested, most popular services. Allowing customers to get instant online estimates on their auto services and repairs, minimizing the anxiety around going to the shop.

The new website showcases all the services on the home page. This makes it easy to find the service one has in mind quickly. If a vehicle owner is unsure of the service details, the home page makes it easy to explore all the different services and what they entail. On the new home page of Precision Auto Sales & Service, visitors can find the online quotes option. When customers click on the links on the home page, they are taken to the service page which lists all the details eliminating the unknown.

When the customer is ready and finds the service they are looking for, they can utilize the company's simple online quote option to find pricing details and book an appointment. The company claims to have a system that is more streamlined and modern than other auto repair shops. The first step is to select the desired

service from the company's large list. Second, the customer chooses the book an appointment option getting and estimate and selects the date and time of the service. The company claims to be the best option for those searching online for "auto repairs Kansas City"

The owner for the company, Michael Lagas says, "We are hoping our new website and online booking features, helps people feel more at ease with the booking process. Making it easier for our customers is our main goal. I have over 30 years experience in auto repairs. Since opening in 2019, my main focus has been on expanding our services and making a big easy to navigate presence online."

Precision Auto Sales & Service offers many repairs such as oil changes, engine and electric diagnostics, a/c repair, brakes, suspension services, tires & wheels, state inspections, gas and diesel services. They are the leading auto repair service in Kansas City and surrounding areas such as Independence, Gladstone, River Bend, Platte Woods and Overland Park.

A review of the company's service by Chris Smith says, "Very Friendly and Knowledgeable. Vehicle was done in timely matter. Will be going back for all automotive repairs."

The company can be reached by calling (816) 591-6255 for any booking-related inquiries. There is also a contact form on the website to get in touch with them directly.
