The Bar Brothers System, a step-by-step 12-week calisthenics program that claims to transform the mind and body is a workout program to be reckoned with. This has caught the attention of HealthAvenger.com?s Stan Stevenson, prompting an investigative review.

?Our Bar Brothers System review shows that the workout is all about using calisthenics (and simply, bars and your bodyweight) to workout. The program isn?t just about those who want to get ripped and look amazing; it?s also about those who want do everything they can to make the best of themselves,? reports Stevenson. ?The two Serbian-American friends who?ve founded this system say that not only is working out this way is what your body truly craves, but it will also transform both your mind and body forever. If you want results and are prepared to put in the work, then you?re going to see some pretty damn outstanding results.?

The Bar Brothers System is a 12-week transformation program that consists of 140 workout videos, an in depth callisthenic program, intense routines including fat burning, killer workouts and definition and muscle toning, nutritional advice, the reasoning behind the system and community support. The workout videos guide people step by step through everything they need to know about working out by simply using their body weight and a bar.

?Since the program doesn?t require any equipment at all to get results, you?ll never again have to fork out for crazy gym subscriptions. You can work out at home, in the park, at work; in fact, anywhere you can use your bodyweight as a training aid. Think of the release of never having to enter a gym again because all your training can be done at home or on the road,? says Stevenson. ?Not only does workout help you lose fat, gain muscle and get ripped, but you?ll do this without having to spend hour upon hour at the gym, or by skipping meals or following restrictive diets. The program is simple to follow and the results are really fast. It?s for the winners in life and for those who truly crave results.?

?The Bar Brothers Workout System is a workout program for those of you who?re looking for the ultimate way to improve your body, with results that you?ve probably never thought possible. By improving your body,

you?re going to empower your mind as well. This really is a body transformation program to be reckoned with. One thing that you can be sure of is that if you stick to the program, you?re going to get the awesome body you?ve always dreamed of, but never quite managed to get. The results you?ll see not only have an effect on your physique, but the improvement in how you look and see yourself will have an impact on your inner self and many other aspects of your life. In a nutshell, the workout is awesome and we?re hooked!?
