Bin Pro Container Rentals Delivers Affordable Dumpster Rentals in Somersworth, NH

January 19, 2022

January 19, 2022 - PRESSADVANTAGE -

Bin Pro Container Rentals, a leading waste management company based in Hampton Falls, now delivers cheap roll-off dumpster rentals in Somersworth, NH. The company offers dumpster rental solutions for commercial and residential clients in Somersworth, Hampton Falls, and various other cities in New Hampshire.

According to Mr. Jason Carnes, the company's founder, Bin Pro Container Rentals often make special accommodations to provide waste management solutions to customers outside of their service area radius. According to their website, their service area includes Hampstead, East Hampstead, Hampton, Somersworth, Exeter, Greenland, Dover, Epping, Brentwood, Portsmouth Stratham, and the neighboring regions. Customers located further away and cannot see their cities listed as part of the company's service area radius can contact them directly on the phone to ask for delivery outside the company's radius.

Bin Pro Container Rentals delivers various size roll off dumpster sizes in Somersworth. They have 15-yard

dumpsters with a 1.5-ton weight allowance, 15-yard dump trailers with 1.5-tons of waste allowed per rental and 20-yard dumpsters with 2-tons of waste allowed per roll-off rental. The company's roll-off containers vary in capacity and are suitable for different types of waste and junk removal projects depending on how much space or tonnage a project requires.

Based on the company's information on their website regarding their dumpster rental containers, their 15-yard dumpsters are perfect for small-medium-sized projects such as bathroom remodeling, garage cleanouts, and even garage or attic cleanouts. Their 15-yard dump trailers are perfectly designed for hauling heavy material, and Mr. Carnes also added that the 15-yard dump trailer can be parked beside a street with no need for special permits and are also driveway friendly. Their 20-yard dumpsters are ideal for clean-up jobs following projects such as landscaping maintenance projects, carpet cleanouts, attic and garage cleanouts, and any other commercial or residential waste one can throw in.

Dumpster rental costs at Bin Pro Container Rentals are flat-rate for each roll-off container, but the dumpster rental pricing for each dumpster is based on the size and capacity of the specific dumpster size. Homeowners, business owners, contractors, and other individuals who need a rental dumpster can rent a 15-yard dump trailer at \$549, a 15-yard roll-off dumpster at \$599 or a 20-yard dumpster at \$699 for a 1-7 day rental period. If a customer needs a rent time extension, they can use their rental dumpsters for longer at an additional \$20 per day, from the 8th day of the rental. The company also charges customers for excess weight at \$189 per additional ton for extra weight.

The company's business hours are between 7:00 AM and 5:00 PM, Monday to Friday. They make dumpster deliveries and pick-up dumpster rentals within their business hours closed on weekends. Customers can still call them to book dumpsters or use their 24-hour online booking to order their rental dumpsters and schedule deliveries. According to Mr. Carnes, customers can ask for same or next-day delivery if they require emergency dumpster rental services or have other unique waste disposal needs.

Interested parties looking for a dependable roll-off dumpster rental in Somersworth can find more information about Bin Pro Container Rentals and their services on their website <https://www.binpro.com/dumpster-rental-somersworth-nh/>.
