

Green Wellness, A Naturopathic Medical Marijuana Clinic with locations in Spokane, Has Launched A New Redesigned Website

January 20, 2022

January 20, 2022 - PRESSADVANTAGE -

[Spokane, WA, 20th/January/2022] Green Wellness, a veteran owned company offering wide selection of naturopathic services in Spokane, Washington has launched a new website design including new features. The website makes it easy for customers to see all the various services concerning wellness evaluations, marijuana treatment plans and medical marijuana authorization in the state of Washington.

The new website showcases all the services offered on the home page. The new redesigned website has an expanded menu, making it easy to find the information you are looking for quickly. The home page is well organized with links to legal information, services, and various clinic locations. Customer can easily navigate with all the new expanded menu options, allowing them to stay up to date with new services offered by Green Wellness naturopathic clinics.

A review of the clinics services by a Bainbridge Island client says, "Had a great experience. Called for an

appointment and got one the next day. Receptionist and doctor were very friendly, respectful, and helpful. They never purported to be a dispensary but did provide a list of them along with other important info. I also received a disability discount. Definitely recommend.?

Speaking on the website, owner, Doug added, "We pride ourselves in being veteran owned, LGBTQ+ friendly and a safe place for all to get their cannabis needs. We practice all Covid guidelines and have wheelchair accessible parking and entrances. I love what the environment we have created in our store, but having the new website just puts the icing on the cake.?"

The new website makes it easy to schedule an appointment with a doctor by visiting their "Schedule A Visit" tab on the menu. The customer fills out the required form and a receptionist will contact the client to complete scheduling the appointment. For those who have questions more questions, the new website offers a patient resources and FAQ page in hopes to settle an anxiety concerning one's visit.

Those interested that want to find out more about Green Wellness Naturopathic clinics are encouraged to visit their facebook page at <https://www.facebook.com/GreenWellness/> or get in touch with them at (888) 885-9949.
