January 20, 2022 - PRESSADVANTAGE -

[Fort Lauderdale, FL, 20th/January/20200] Green Health, has already been providing quality medical service in Florida at its Jacksonville and West Palm Beach locations, but is excited about its new Fort Lauderdale location. Owned by Veteran Doug W., the business is now moving premises to a new office. This expansion will provide Green Health's more space, allowing them to reach even more clientele in the local region. The new property will be located at 1749 NE 26th St Ste E Fort Lauderdale, FL. 33305.

While they might be opening a new location, Green Health will continue to provide the same exceptional services at the other locat. This includes a holistic wellness and problem focused visit, wellness evaluation, natural treatment options, individualized treatment plan, medical marijuana card and compassionate use registry. Each location closely monitors State and Federal guidelines pertaining to cannabis, and are up to date on the most recent legislation.

Green Health is also able to provide patients with the best holistic health care referrals, as well as, gain

education about respective conditions, treatments, supplements, and general holistic health.

The new office cements Green Health's commitment to the future, allowing them to continue to provide patients across Florida with the very best naturopathic wellness care available.

Speaking on the move, owner Doug W. added, "We are really excited to be moving into our new office space. Our goal is provide the best care available for Floridians, in a safe and professional manner. With the recent events regarding Covid, we are offering Telemedicine services to applicable patients as well."

Green Health also has career options available for the new location, readers can find out more concerning employment opportunities on their website.
