Kia Dealer in Edmonton Runs Promotion For Charity

February 07, 2022

February 07, 2022 -
Alberta based North Edmonton Kia recently ran a promotion where $100 from each car sold was donated to a charity focused on child sexual abuse. The promotion was held in December, and the charity they were working to raise funds for is called Little Warriors. This organization has had a hand in helping countless children who have been the victims of abuse. Today, with the help of contributions from the dealership and other concerned parties, they continue to work hard to protect children in their community.

Little Warriors is a national charity based in Alberta that focuses on awareness, prevention and treatment of child sexual abuse. The organization advocates for the rights of the victims of child sexual abuse, and they are committed to ensuring that the issue of child sexual abuse is eradicated and the victims of it are given the attention they deserve. They also run a ranch, known as the ?Be Brave Ranch,? which is run by Ray LaBonte and Family and offers specialized, intensive, trauma-informed and evidence-based treatment aimed at helping the victims and their families. The ranch offers a one-year combined onsite and outpatient program specifically designed with input from leading academic and clinical experts who specialize in child sexual abuse and trauma. North Edmonton Kia is grateful to be able to help out Little Warriors and hopes its contributions will aid in the battle against child sexual abuse. They hope that their involvement can help shed light on this troubling issue.

In their day-to-day operations, however, the team works hard to maintain a reputation for being the number one Kia dealership in Alberta. ?Our team would like to welcome you to our dealership in Edmonton, where we?re confident you?ll find the vehicles you?re looking for at a price you can afford,? says North Edmonton Kia. ?Come and check out our full selection of New Kia Vehicles or get a great deal on a reliable pre-owned model. No matter which vehicle you decide on, our professional finance team will help you get settled with a competitive financing or lease plan. When you?re looking for quality auto maintenance and repairs near Edmonton, you can always count on the professional technicians in our Kia service department as well where we handle everything from oil changes and filter replacements to powertrain and drivetrain repairs.?

The best deals on Kia?s can be found at their North Edmonton dealership, which has built a reputation for being one of the best places to buy a new car thanks to the excellent customer service they offer. A number of customers have left glowing reviews of North Edmonton Kia praising the dealership for making the process of buying a vehicle more stress free.

?I would like to take the time to thank James, Dave and Chris at North Edmonton Kia,? says Alice Embleton in her Google review. ?They went above and beyond to get myself and my husband into two newer vehicles. Both of us have never felt more comfortable purchasing a vehicle before as we did with those guys. Not only did the vehicles meet we?d go above our expectations, but the customer service was also fantastic. I highly recommend them for future purchases, there?s lots of car salesmen out to rip you off but definitely not them. Thanks again, and we will 100% be going back for our future purchases.?

Another happy customer reports that they traveled to the dealership intending to purchase a new Sorento. They explain, ?We could not get the financing numbers to work with my budget, so my salesperson, Kelsey D., suggested the 2022 Sportage. Ended up trading my old vehicle in and buying it under what they had originally quoted me, which made me happy. If you are looking for a new Kia, I would buy from the salesperson Kelsey D. and the finance director, Kathy, again with no hesitation. Thanks to both of you for the good deal and new vehicle.?

For more information on North Edmonton Kia and their December promotion for Little Warriors, visit https://www.facebook.com/NorthEdmKia/posts/1842220585967689. The dealership also encourages their community to reach out to Little Warriors directly to learn what they can do to raise awareness of (and prevent) child sexual abuse.
