

DumpIt.Biz Provides Affordable Dumpster Rentals in Lake Charles LA

January 28, 2022

Youngsville, Louisiana - January 28, 2022 -
DumpIt.Biz was excited to announce to homeowners, contractors, and businesses in Louisiana that it now delivers cheap all size dumpster rental options in Lake Charles, LA. Company founder Jason DeJean, stated, "With over 20 years of experience in the waste removal industry in Louisiana, our team proudly serves our clients with reliable dumpster service they can count on. With just one phone call or booking a rental right on our website, customers can have their junk securely disposed of by qualified personnel who are always happy to help!"

Besides Lake Charles, DumpIt.Biz also delivers dumpster rentals to New Iberia, Broussard, Sulphur, Youngsville, and surrounding areas. The company also provides dumpsters far out to communities outside their service area radius when requested by customers further out. However, because of time and distance, dumpster deliveries to locations outside of the company's delivery radius may require the renter to pay a distance surcharge which may vary depending on the distance.

The company delivers all-size dumpster rentals and provides specific dumpsters designed to dispose of particular types of waste. They are concrete, dirt, shingles, construction, and mixed dumpsters. The mixed dumpsters are ideal for homeowners, businesses, and contractors who need to dispose of diverse waste materials or junk from their work sites or homes.

DumpIt.Biz has five dumpster size options which are; 10 yard dumpsters, 14 yard dumpsters, 15 yard dumpsters, 20 yard dumpsters, and 30 yard dumpsters. The company offers flat-rate pricing for all sizes of dumpsters, but the dumpster rental costs of the various size containers depend on the capacity of a container, and the type of dumpster one chooses to rent.

The company's concrete dumpsters, dirt dumpsters, and shingles are 14 yard roll off dumpsters that cost $275 to rent per dumpster. DumpIt.Biz offers 10 yard construction dumpsters at $250, 15 yard construction dumpsters at $275, 20 yard construction dumpsters at $300, and 30 yard construction dumpsters at $400. Renters can also opt for 10 yard mixed dumpsters at $350, 15 yard mixed dumpsters at $375, 20 yard mixed dumpsters at $400, or 30 yard mixed dumpsters at $500.

Apart from the wide variety of dumpster size options and low-cost flat-rate pricing DumpIt.Biz offers, customers can always expect reliable dumpster rental services, on-time deliveries and haul-off, 24 hour emergency support, and excellent service customer services throughout their rental periods. They are open between 7:00 am and 4:00 pm from Monday to Friday.

DumpIt.Biz offers two booking options. Clients can either call to book their dumpsters and schedule deliveries or use the company's 24-hour online booking option. They also provide a contactless payment option and online consultation to encourage social distancing as some of the measures to prevent the spread of Covid-19. Their representatives are mandated to wear masks and gloves when making deliveries or drop-offs and maintain social distancing.
