Jacksonville, FL - Jax Black Car Transportation has the only exclusive fleet of premium Mercedes-Benz, RoadStallion, Limousines. Premiering during the 2022 Players Championship at TPC Sawgrass in Ponte Vedra Beach, Florida. THE PLAYERS® week begins Tuesday, March 8th through Sunday, March 13th, 2022.

Fans of golf, Florida sunshine, and the many charities THE PLAYERS® supports can experience this year's storied classic PGA tournament like never before. Celebrated by players and fans alike as "the fifth major" THE PLAYERS® Championship brings in the best golfers in the world, the best fans of course, and now, Jax Black Car brings the absolute best luxury transportation to Jacksonville. The RoadStallion is a custom-built Mercedes-Benz Sprinter, designed with an unmatched level of comfort, style, and safety with an extra spacious interior. Like a private jet on four wheels, discerning clientele will also appreciate this rare fleet of first-class vehicles comes with the trusted, world-class chauffeured car service of Jax Black Car Transportation, headquartered in Jacksonville.

Jax Black Car and RoadStallion are both custom-made to offer the ultimate small group transportation experience during this beloved local event in Jacksonville.

Now that the news of the RoadStallions is out of the stable, the company hopes fans will become one of the first interested parties to book this one-of-a-kind VIP ride to THE PLAYERS® with them. Book now at Jax Black Car Transportation: jaxblackcar.com, 904-372-8084, or email reservations@jaxblackcar.com.

Each customized RoadStallion vehicle has all the amenities of a chauffeured limousine with the added room needed for groups of four (4) to eight (8) people. RoadStallions are designed in basic seating configurations. Clients can choose 8 Captain's Chairs that recline and swivel or the 6 Captain's chairs and 2-seat dinette table configuration. The custom-designed upholstery is leather with diamond stitching. In most cases, there is a privacy wall separating the Cab from the Passenger Cabin with separate ventilation systems and window/intercom access between them.

The custom-built RoadStallion is wider than a standard Sprinter has an internal height of 6'5". The RoadStallion has two televisions, live programming, a refrigerator, and air suspension. With all these features, small groups that prefer luxury over practicality will have everything they need to create a safe and memorable trip for clients, family and friends.

Jax Black Car, Jacksonville's complete transportation solution provides shuttle service to and from the Jacksonville International Airport, and offers luxurious, safe travel for locals and visitors alike. In addition to the RoadStallions our luxury fleet of sedans, SUVs, executive sprinter vans, minibuses, and motorcoaches are at their clients' service. Whether they're heading to the city for nightlife or to the beach for an exclusive event like THE PLAYERS®, clients will find the company is the choice for the most discerning passengers.

"Like The Players, a great event, and always an opportunity to connect with friends, and make new ones. As we continue to grow we are always looking to build new partnerships with companies that share our high-performance targets and core principles. We are determined at every level of our organization that our passengers always walk away with exceptional, experiences, none better than those enjoyed in the RoadStallion," says Richard Callahan, CEO of Jax Black Car Transportation.
