A spokesperson for the company talks about its many bundles for every occasion by saying, ?The staff here at The Gift of Scent has handcrafted collections that incorporate the spirit of the occasion for which they are designed or perfectly encapsulate the needs of the person to whom they are intended to be gifted. We use our extensive knowledge of aromatherapy and fragrance products to find the perfect combination that will delight you and your loved ones. We think of fragrances as more than just background dressing and we realize the power of nostalgia and goodwill that the sense of smell can evoke. We want all of our products and collections to embody the person or occasion that they are meant for and we arrive at such a combination only after extensive deliberation amongst our knowledgeable and discerning scent experts. When you purchase from The Gift Of Scent, you are benefitting from the sophisticated palette of our many experienced scent connoisseurs.
