

Knollwood Place Apartments Now Offering Prime Kosher Catering to Residents

February 02, 2022

Saint Louis Park, Minnesota - February 02, 2022 - PRESSADVANTAGE -

Sholom is now partnering with PRIME KOSHER CATERING to offer residents of Knollwood Place Apartments new international food services.

On January 31st, 2022 residents of Sholom's Knollwood Place Apartments were able to start enjoying a new food service from PRIME KOSHER CATERING inside the newly renovated Willows Grill and Nosh Nook Deli. Menu items will include a wide variety of international favorites, such as chicken marsala, arroz con pollo, and sweet and sour soup, as well as long-time Jewish favorites, such as chopped liver, matzoh ball soup, and beef brisket.

"Food is an important element in a residential living program," said Barbara Klick, Sholom CEO. "Not only does it keep our residents healthy, but it also is a key factor in someone's satisfaction with a facility. We are excited to have PRIME KOSHER CATERING's international and Jewish cuisine now available to enhance nutrition options for our residents."

Knollwood Place, located at 3630 Phillips Parkway, St. Louis Park, MN 55426, offers 153 one- and

two-bedroom apartments for older adults. It is located close to shopping, banking, and recreational activities, offering residents a neighborhood feel. PRIME KOSHER CATERING offers authentic menus and professional hospitality service without compromising on the highest level of Kashrut. It began by sharing space with Prime Deli Restaurant before becoming the in-house caterer of Knollwood Place Apartments.

In partnership with the local community, Sholom supports adults in need across the full continuum of care to live fully in a Jewish environment where all are welcome. Founded more than a century ago, Sholom has locations in St. Paul and St. Louis Park and offers a full-array of senior-centered services across a continuum of in-home and site-based care.
