MoldStar Remediation Recognized as one of Marietta?s Top Water Damage Restoration Services

February 02, 2022

February 02, 2022 -

MoldStar Remediation, a water damage restoration service in Marietta, GA has recently been recognized as one of the top water damage and mold remediation companies in Georgia. The company, owned and operated by mold expert Jeremy Shelton, has quickly become one of the highest-rated companies in the area. Mr. Shelton?s experience in indoor air quality coupled with his first-rate customer service has made MoldStar the first choice for homeowners and agents alike.

In a recent review left on the company?s Google Business Profile, customer David Lewis describes his family?s experience with Jeremy and the MoldStar team, ?I had to use this company to repair the water damage in my basement. I was very pleased with the overall work that was done. If you are looking for a professional & knowledgeable group of workers, definitely give these guys a call!?

MoldStar Remediation is consistently one of the highest-rated restoration services in Marietta and one of just a few with a perfect 5-star rating. Reviews and testimonials from customers like Mr. Lewis are a regular occurrence for the customer. In another testimonial the company received, customer Cameron Day had this to say, ?State farm recommended them. So I just obliged, all the work turned out great, and the repairs they

did looked like nothing ever happened. They definitely have the customer's best interest at heart. No more water damage for me!?

When asked his thoughts about MoldStar's regular reviews, Shelton had this to say, "the fact that our company receives such positive reviews on a regular basis means we're doing something right as a company. It's nice to know that we're helping people recover from life-altering circumstances."

To learn more about MoldStar Remediation, interested parties may contact Jeremey Shelton. They may also visit the company's website for further information or connect with them through their social media platforms to stay updated with their latest news and announcements. The latest information regarding the company can be found on the company's press page.
