Frux Home and Yard, a company based in Las Vegas, NV, is happy and proud to announce that they have received another five star review for their natural bamboo cheese board and knife set on Amazon.com. After over 1,000 customer reviews, this cheese board that can also be used as a charcuterie board has an overall rating of 4.8 out of 5 stars on Amazon. As a charcuterie platter, it can be used to serve various kinds of appetizers, including meat and cheese.

In the mentioned Amazon customer's review, Frank B. said, "Lots of compliments on this charcuterie board. I was concerned that it would be difficult to keep clean, but it cleans like a breeze with vinegar on a paper towel. Needs to be oiled with butcher block oil once a month. Nice size for a smaller gathering, but I would want to add other boards if I had more than 6-8 people. Everyone enjoys this board, with the kids getting into preparing it now. Simple and elegant. A real win!?"

This natural bamboo cheese board and knife set has various features that differentiate it from similar products available in the market. These include: the provision of a removable slide out drawer to offer a surprise display when desired; an edged rim suitable for bread and crackers; the use of bamboo material,

which is BPA-free; innovative hidden drawer containing the knife set for various kinds of cheese; bamboo color and grain finish that are suitable for the kitchen or dining room; assurance that there are no chemicals, odors or color to spoil the cheese and other foods on the tray; and the Frux Home and Yard warranty.

As a charcuterie platter, the Frux natural bamboo cheese board can be used to present various kinds of cured meat, fruits, olives and nuts, various kinds of cheese, jelly or jam, crackers or small breads slices, dried fruits, and more. Those who love meat will be delighted with the charcuterie board as it can be used for different kinds of sausages, blood sausage, andouilles, pate, galantines, hams, boudins blancs, ready cooked dishes, and more.

For those who love cheese, the knife set that comes with the cheese board has four types of cutlery that have specific places within the slide out tray. These are the chisel knife, cheese fork, narrow plane knife, and almond knife. The chisel knife is to be used for the firm or crumbly cheeses, such as Parmesan, Emmentaler, Aged Cheddar, Manchego, Parmigiano-Reggiano, Gouda, and Asiago. The cheese fork is to be utilized for the hard and crumbly cheeses. The narrow plane knife is designed for cutting the semi firm and soft cheeses, including Brie, Camembert, Mozzarella, Goat, Ricotta, Blue, and Cream Feta. The almond knife is designed for the hard or semi-hard cheeses, including Cheddar, Goya, Grana Padano, Pecorino, and Greve.

The Frux natural bamboo cheese board and knife set is made from eco-friendly and sustainable natural bamboo, which means consumers need not worry about causing any harm to the environment. The bamboo material also allows the charcuterie board to be resistant to odors and stains, which makes it really suitable for serving meat and cheese. It has been expertly crafted to ensure that it will serve as an attractive way for presenting food impressing guests during special events.
