Ron's Amazing Products, a business based out of Catonsville, Maryland, has released new videos through their YouTube channel found at <http://www.youtube.com/user/RonsAmazingProducts>. The channel focuses on subjects which the company believes their customers will find interesting, and which also coincide with one of their more popular products, the Amazing Camera Pen. The team at Ron's explains: "At Ron's Amazing Products, we firmly believe that there is no reason to do a task by your own two hands when there is an interesting or unique electronic gadget that could do the task for you. Electronic gadgets are fun and resourceful. They are created with the purpose of making your lives easier."

Subject matter such as photography and uses for camera pens and similar equipment is published here, and the team at Ron's Amazing Products promises a continuation of new and unique videos in the future as well. They invite current and new viewers to participate and interact with the company through comments, likes, and shares, encouraging feedback and suggestions for new videos which their followers wish to see. The company says: "At Ron's Amazing Products, we understand how important electronic gadgets are in today's

society. In fact, we consider ourselves to be a team of electronic gadget junkies. We are a group of individuals who are constantly on the lookout for the next big thing in terms of technology."

Ron's Amazing Products also offers additional information on their camera pen and other products through the company's official online site at <http://ronsamazingproducts.com>. Through this site, customers can read other consumer testimonials and reviews on the pen, contact the company, and learn about why the team at Ron's believes so much in the advancement of technology and its importance in modern business and personal living.

To buy the Amazing Camera Pen, Ron's Amazing Products invites consumers to visit the company's online retail portal at <http://www.amazon.com/gp/product/B00G2TEKM2>. Combining this pen with many of the informational videos now offered by the company is said to increase the products usefulness and benefits. Company warranty and other aspects of the pen can also be seen here, although the majority of FAQs is available through the above mentioned official site.
