

Chattanooga Bounce House Is Offering A Range Of Party Rental Services In Chattanooga, TN

March 11, 2022

March 11, 2022 - PRESSADVANTAGE -

Chattanooga Bounce House, a party rentals company serving Chattanooga, TN, has launched a new website that is ready to help residents in the city book the items they need to make their parties and celebrations an entertaining success.

Chattanooga Bounce House rental services include main attractions such as bounce houses, water slides, yard games, obstacle courses, wet and dry combos, and even extra accessories such as concession stands, tables, and chairs. All of the items that the store offers are listed online on the new website making it extremely easy for potential customers to browse through its entire inventory.

All the items on offer are logically categorized on the website for easy navigation. Each listing contains a gallery of crisp and clear images of the final product, the dimensions of the product, the setup area required to install the product, the number of circuits required, the age-appropriateness of each attraction, and the number of attendants required for safe operation. The listings also have a starting price that should allow

customers to pick the items that are suited to their budget.

Chattanooga Bounce House says on its website that it is a DIY operation that allows it to charge much lower fees per item than its competitors. The company does not offer delivery, set up, tear down, and returns like other party rental companies. Though this might seem like a drawback, the company passes on the savings to its customers and is able to offer them shockingly low rates for high-quality party rentals. This makes choosing Chattanooga Bounce House a no-brainer when compared to other full-service party rental companies that offer expensive rental packages that add on extra charges for tasks that the customer can easily manage on their own.

A spokesperson for the company talks about the DIY nature of its rentals by saying, "Other companies will gouge you on the fees they charge for handling, delivering, and installing the party gear and accessories. This, however, is not rocket science, and anyone with a modicum of resourcefulness will be able to figure out the simple setup steps themselves. We are offering the many enthusiastic and capable residents in Chattanooga who want to avail of party rentals a chance to save lots of money and still be able to enjoy high-quality bounce houses, water slides, and other items without having to pay extraneous costs. Just make sure that you have a heavy-duty truck to carry the rentals to the location of your choice. With a help of a few friends, you can set up the party of your dreams without breaking the bank. So if you are looking for party rentals in Chattanooga, make sure to visit our brand new website and pick out the items to make your next family or professional gathering a memorable one."

Chattanooga Bounce House will set up, inspect, and sanitize every rental that it receives back from its customers to make sure that it is ready to go for the next one who wants to rent it out. The company has years of experience in the party rental business and claims that its operations have been honed to the point that now it is a well-oiled machine that makes sure that customer who orders a rental will get it at the time it was promised in a clean and functionally excellent condition. The company also offers support if customers end up needing help figuring out the setup and tear down of the rentals. All of the company's bounce houses and all party equipment are state inspected as it is needed in order for them to meet the requirements of their license. The company also has generous cancellation policies that make planning in advance easy and risk-free.

Chattanooga Bounce House rentals are perfect for events such as birthday parties, graduations, church picnics, daycare open houses, school carnivals, community events, corporate events, and more. The company is located at 6234 Perimeter Drive F102, Chattanooga Tennessee, 37421. It can be contacted at the phone number (423) 567-8090 or at the email address DIYChattanoogaBH@gmail.com.
