

Plumbing Company in Panama City Donates $5,000 to St. Jude Research Hospital

February 17, 2022

February 17, 2022 -

Panama City, Fla. ? A Panama City commercial plumbing company, Mr. Rooter Plumbing, recently partnered with iHeart Media to donate $5,000 to the St. Jude Children?s Research Hospital. They are thankful for this opportunity to give back to their community and see the wonderful work that will be done through their donation.

St. Jude Children?s Research Hospital performs much research in hopes of ridding children of life-threatening diseases. According to their mission statement, the research hospital exists ?to advance cures and means of prevention for pediatric catastrophic diseases?through research and treatment.? Founder Danny Thomas was very specific in his vision of how St. Jude Children?s Research Hospital was to operate; years later, the hospital still operates consistently with Thomas?s vision, as per the second half of their mission statement: ?no child is denied treatment based on race, religion or a family's ability to pay.?

As a proud Panama City business, Mr. Rooter?s technicians take pride in being a part of a company that

cares so much for its community. The team of expert sewer repair technicians believe in the mission of St. Jude Children?s Research Hospital, and they are happy to support the hospital in any way they can. Making a donation to the mission alongside iHeart Media was a great opportunity to do just that. Owner of Mr. Rooter of Northwest Florida, Scott Hobbs, states ?We are so thankful for this opportunity to give back to a great organization that helps so many."

Mr. Rooter of Northwest Florida is a residential and commercial plumbing company, offering service by appointment, as well as emergency plumbing services.
