Featured Headliner DJ Snoopadelic (Snoop Dogg) at Inaugural NFTConnect Conference

February 17, 2022

February 17, 2022 -
The first-ever NFTConnect Conference showcasing topics of cryptocurrency, nonfungible tokens (NFTs), blockchain, decentralized autonomous organization (DAOs), and future innovations of Web 3.0 takes place February 22-23, 2022, at Bell Bank Park, Arizona.

NFTConnect is honored to have DJ Snoopadelic (Snoop Dogg) headline the closing VIP Party event. Deanna Wheeler, a universal music artist, is the opening act. Therefore, this duo will end the conference on a high note.

Excitedly, Snoop Dogg just performed during the Super Bowl Half-Time, the first year hip-hop music has been center stage in NFL history. On the flip side, cryptocurrency, blockchain, NFTs, and Web 3.0 have embraced hip-hop and other musical minority genres. Blockchain innovations have been very embracing for minorities in other areas, too. These innovations have evened the opportunity access for minorities to step into leadership to become some of the most educated and successful leaders.

This NFTConnect Conference brings together a community combining crypto experts with novices to discover a better, more profound understanding of the metaverse. Safety within this space is a high priority. Therefore, sessions will explore deeper dives into more advanced areas of engaging in a new, innovative digital world. Balancer Labs will outline the future of Web 3.0 regarding safety and security.

NFT enthusiasts, techies, deep thinkers, and newbies will enjoy the various topics being explored as well as the dos and don'ts of blockchain. Onboarding for project adoption will be presented. Explore the utility and functionality of NFT's will give the audience the ins and outs. Most intriguing will be the new trends and significant breakthroughs in innovation.

"This is a fast start event suitable for beginners to experts as the quality of the speakers and sponsors ranges

among depth and reach. Furthermore, local Arizona politicians will be speaking up on the integration of governmental policy, application of use, and the various political definitions described as views and values. There is a sense of pride to have this opportunity to enlighten those that attend," said Josh Mimms, spokesperson for NFTConnect.

There are general and VIP admission tickets to attend the event that may be minted on the website http://www.NFTConnect.one. However, those new to crypto-technology can invest in tickets via traditional credit cards. The investment for tickets is .25 eth for general and .5 eth for VIP, which fluctuates daily based on the market value. Tickets are capped at one thousand (1,000) attendees.
