Hawkins Wealth Advisory LLC, a business in Phoenix, AZ, have released new information on its website that encourages high net worth individuals to purchase health insurance among others. Full details of the services offered by Hawkins Wealth Advocacy are available on http://www.gbg.com/hawkins. All insurance packages have been developed specifically for the target market.

"We work exclusively with people like expatriates, business principals, multinational executives and corporations, foreign nationals, and other such high net worth individuals," says Robert E. Hawkins, Chairman of the Board of Advisors at Hawkins Wealth Advisory LLC. "Their situations tend to be very unique, in as such that they require a greater degree of flexibility in their insurance policies. We offer the creativity and personal service that fully satisfies their needs."

Those who research about HWA Global will find that they offer a number of specific financial solutions. These include life insurance, health insurance, disability insurance, accident insurance and travel insurance. Additionally, they offer customized investment portfolios to their clients. The company's goal is to protect and enhance the wealth of their clients.

The company's motto is to deliver insurance without borders and this underpins all of their actions. In fact, the majority of their clients are not permanent residents of specific countries, because they spend considerable amounts of time traveling the world for various business reasons. This increases the need for specific policies that the majority of insurance carriers simply do not offer.

The company's credentials are extensive, particularly those of Robert E. Hawkins. Full details about his experience and expertise are available on http://www.linkedin.com/in/hawkinswealthadvisory. "We operate in the real world, where asset and management decisions are perhaps the most critical factors in developing a plan to meet long-term investment and wealth objectives, having the potential to significantly impact a family's or business' balance sheet," he states. "We invite you to explore our site, watch our educational videos and search our library for the latest financial insights and welcome you to the world of Hawkins Wealth Advisory."

A range of information is available through the company's website on the various services offered by Hawkins Wealth Advisory LLC. Clients are encouraged to look through this before contacting the company.
