Roofing Company in Douglasville, GA Receives Top Rating

March 01, 2022

March 01, 2022 -
Paramount Roofing & Consulting, a Douglasville-based roofing contractor, recently received a 5-star Google review from a pleased customer. Tawanda H. shares that they were extremely satisfied with their experience with Paramount Roofing & Consulting and were particularly appreciative of the company?s high standard of customer service. The review is one of many such reviews on the platform, and Paramount Roofing & Consulting is always happy to receive positive feedback from their community.

?My experience with Paramount Roofing & Consulting was nothing less than superior,? the review says. ?Otis and his team was on point from start to finish. I was so impressed with the customer service at the initial consultation. Although I'd done my own research on this business as well as read reviews, it didn't take long for me to decide to hire Paramount Roofing for the job. His team arrived at 6:45am, and they were completely done by 1pm. I absolutely love my new Mission Brown roof. Efficient, excellent quality and wonderful customer service. Let's just say I highly recommend Paramount Roofing and Consulting.?

The company offers reliable, comprehensive, and affordable services related to roofing in Douglasville GA that are tailored to the individual needs of each household. Paramount is considered by many to be the most

reliable provider for all roofing services in Douglasville thanks to their commitment to excellent customer service and affordable rates. They have been active in the area for over 12 years, working with all kinds of customers across Georgia and providing world-class roofing for all kinds of homes. Paramount Roofing & Consulting is fully insured and licensed as well, which effectively means customers can always be sure they are working with trustworthy roofing contractors.

Paramount is unique in that their work is backed by industry-leading extended warranty options, and they work exclusively with the top roofing manufacturers in the USA. They have firmly established themselves as a leader among Douglasville roofing companies. The company proudly serves homeowners not only in Douglasville but also in Mableton, Smyrna, Marietta, Kennesaw, Sandy Springs, Brookhaven, and many surrounding areas.

?From the moment you start the free roofing estimate process on our website to the time we finish your brand-new roof,? the company states, ?you are in expert hands whenever you work with Paramount Roofing & Consulting. We focus on everything from contracting roof installations and repairs to tarping. We make the roofing process as easy as possible, specializing in insurance claims and even taking charge by contacting and managing communication with your insurance company. We highly value the relationships we have and develop with homeowners across Georgia. This is true whether we are helping them get their roof repaired following a devastating storm, assisting with needed upkeep, or helping to create the roof of their dreams.?

Requesting a consultation from Paramount Roofing and Consulting is as easy as calling the company. They are open from morning to night and are always standing by, ready to help homeowners with any of a variety of roofing issues. When a customer requests an estimate, Paramount sends a licensed and insured representative to inspect their home and provide them with a quote ? free of charge. They are fully committed to quality and customer satisfaction, and the many reviews they have received are proof of the positive results of this commitment.

?My roof was 20 years old and the shingles were coming off. We were trying to wait until 2022 to have it replaced,? says another Paramount Roofing & Consulting customer review. ?I was talking to one of my customers about needing the roof replaced, and that's when he told me about Paramount Roofing so I gave them a call and talked to Otis. He sent his specialist, Sean, out. As a matter of fact, Sean came out about four times to make sure he got all the pictures he needed. He also took videos with his drone for the insurance company. The new roof is beautiful, the crew finished the work in record time and they also did a great job with the cleanup.?
