March 02, 2022 -
The Law Offices of Purav Bhatt have announced that they will be providing the best Chicago criminal attorney servcies to people facing burglary charges in chicago and the surrounding araes.

According to the law firm's website, "Being represented immediately after an arrest or as soon as possible is crucial to properly defending against burglary charges. Burglary charges are taken very seriously by Illinois prosecutors and in some cases, understandably so. Burglary can involve the invasion of privacy and a violation of the safety one feels in one?s own home. On the other hand, many cases that are charged as burglary are really nothing more than trespassing and/or theft charges. These offenses carry lower penalties and the proper legal presentation to prosecutors, judges and juries can mean the difference between felonies and misdemeanors, thousands of dollars in fines and months or years in jail or prison."

The website also added that, "That?s why it is critical to get organized and represented if you have been charged with burglary. If you are charged with burglary in Illinois, you may be facing felony charges and face up to 7 years in prison."
