Residents of Chicago can now get professional representation in case of gun-related charges The Law Offices of Purav Bhatt have recently announced that they now provide professional Gun attorney Chicago services. These services are aimed at people living in Chicago and the surrounding areas.

According to the website, ?During my career, I have represented people from all walks of life for gun offenses and weapons charges. I have represented off-duty security guards, housewives on shopping trips, convicted felons, hunters, out of state visitors who are legally allowed to carry firearms in their own states, antique gun collectors, military servicemen, fans of shooting and firearms, and competitive sharpshooters. The one thing they have all had in common is that they found themselves in a position of having to explain their possession of firearms to the police.?

The Law Offices of Purav Bhatt explains that they have been providing these services for years and have got the best results in their cases. The website further explains that, ?If you have been arrested or charged with being in possession of a firearm or ammunition without a license, carrying a concealed weapon without a conceal and carry permit, or charged with a firearm-related offense in Illinois, you will quickly realize you are

facing serious punishments and penalties. Prison sentences, high fines and the loss of your gun rights to name a few. Illinois has some of the strictest firearms laws in the country. This is because of the national recognition that Chicago receives related to gun violence and its proximity to Indiana where it is extremely easy to obtain a firearm and bring it back over state lines.?
