March 02, 2022 -
People facing domestic violence can now get professional domestic violence attorney services by The Law Offices of Purav Bhatt. The law firm provides these services in Chicago and the surrounding areas.

According to The Law Offices of Purav Bhatt website, ?Being charged with domestic violence under 720 ILCS 5/12-3.2 has turned the lives of my clients upside down. The penalties that a domestic battery charge carry can range from misdemeanor penalties to felony charges, civil orders limiting one?s freedom and potential prison sentences. Illinois courts treat domestic violence and domestic battery charges very seriously. The reason for this is that Illinois recognizes domestic violence as a serious crime against the individual and society which produces family disharmony in thousands of Illinois families, promotes a pattern of escalating violence which frequently culminates in intra-family homicide, and creates an emotional atmosphere that is not conducive to healthy childhood development. That is why domestic battery has its own section in the Illinois statute.?
