March 02, 2022 -

Thousand Oaks, CA, Feb. 18th, 2022 ?International staffing company Express Employment Professionals is one of America?s Best Employers, according to a ranking released today by Forbes.

This prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider.

?We?ve worked so hard in trying to achieve both client and associate satisfaction that we are very humbled to receive this designation,? said franchisee Neil McMillan.

Forbes and Statista selected 2022?s best U.S. employers through an independent survey applied to a vast sample of approximately 60,000 American employees working for companies with more than 1,000 employees in America.

Across 25 industry sectors, 1,000 employers have been awarded: 500 large employers and 500 midsize employers. The evaluation was based on direct and indirect recommendations from employees who were asked to rate their willingness to recommend their own employers to friends and family. Employee evaluations also included other employers in their respective industries that stood out either positively or negatively.

?In a climate where job seekers have options with a number of employers, we are grateful they choose Express Employment Professionals,? Express Employment International CEO Bill Stoller said. ?Our goal is not only to offer a means for people to provide for their families but to foster a company culture where people can thrive professionally. With our focus on providing hope through employment placement, we are honored to be included in this list with so many other quality businesses.?
