

316 Waste Solutions Is Offering A Comprehensive Dumpster Rental Service In Wichita, Kansas

March 11, 2022

March 11, 2022 - PRESSADVANTAGE -

316 Waste Solutions, a locally owned company headquartered in Wichita, Kansas, is providing dumpster rental and junk hauling services in Wichita and surrounding areas. Readers can find out more about the company and its services by heading over to its website at the link: <https://316wastesolutions.com/>.

A spokesperson for the company talks about the friendly and helpful customer service that it offers by saying, "As Wichita natives, our mission as a company is to help others clean up their property with our expert waste removal and dumpster rental services. We are dedicated to being responsive to your every need and making sure that all your dumpster rental-related questions are answered before you book with us. Our office staff as well delivery staff has been specially trained to anticipate all contingencies that are likely to manifest in this line of work. We are fully confident that they can help you solve all problems through their strictly professional demeanor. We give you several options to book your dumpster rental. You can either book online using our fast and easy-to-use website, or you can reach out to us using a contact form and we will revert as soon as possible to help you get the dumpster you need in time for your construction or home improvement project. When you book a dumpster with us, you are getting an easy-to-work-with and punctual service that offers the best dumpster rentals in all of Wichita, Kansas. If you are still in doubt about the astounding services that we

offer, you can head over to our Google My Business page at <https://www.google.com/maps?cid=2717300413352464675> to read up on the stellar reviews that we have received over the years from the local community.?

The company's dumpsters can be used for a wide range of disposal tasks such as appliance pickups, construction waste, foreclosure cleanouts, furniture removal, hot tub removal, yard waste removal, and more. The company can even help clients recycle old electronics and refrigerators. The company, however, does not allow the disposal of certain materials in its rental dumpsters such as concrete, paint, hazardous waste, dirt, rocks, gravel, oil, shingles, refrigerators, freezers, window ACs, or any "white goods" containing Freon.

The company offers 24-hour, 3-day, and 7-day rentals for its 15-yard, 20-yard, and 25-yard dumpsters. The company also offers a drop & load rental option in which it will show up to the customer's location with the rented dumpster and wait for 45 minutes for the customer to load it. The company also offers a junk removal service where it sends out technicians to the customer's site to load the dumpster for them. The company offers quotes for its junk removal service on a case-by-case basis. It may need to come out and assess the amount of junk to be hauled or it may ask for pictures to give the customer an accurate price.

The company's 15-yard dumpster is 8 feet wide, 5 feet tall, and 12 feet in length and can be booked for \$239.95, \$289.95, \$319.95, and \$199.95 for a 24-hour, 3-day, 7-day, and drop & load rental respectively. It includes 1.5 tons of included weight. The company's 20-yard dumpster is 8 feet wide, 5 feet tall, and 16 feet in length and can be booked for \$299.95, \$329.95, \$349.95, and \$299.95 for a 24-hour, 3-day, 7-day, and drop & load rental respectively. It includes 2 tons of included weight. The company's 25-yard dumpster is 8 feet wide, 6 feet tall, and 16 feet in length and can be booked for \$399.95, \$409.95, \$429.95, and \$349.95 for a 24-hour, 3-day, 7-day, and drop & load rental respectively. It includes 3 tons of included weight.

316 Waste Solutions can be contacted at the phone number (316) 295-2232 or using a contact form on its website. For customers who want to immediately schedule a dumpster, the best way to reach out to the company is via a phone call. Readers can also stay updated with the company's services by following it on its Facebook page at <https://www.facebook.com/316WasteSolutions/>.
