March 2022: A newly released report by Spice Market New York revealed the top attractions to enjoy in New York City. Expert opinions were gathered to produce the article published on Spice Market New York's website. The article serves as a helpful guide for those planning a trip to New York and looking for tips on where to go. Readers can find the full report here.

This report was designed to highlight the top attraction spots in New York for travelers. The City has a lot to offer in terms of tourism, with numerous attractions and recreational spots. New York City consists of five boroughs where the Hudson River meets the Atlantic Ocean. At the core of New York, Manhattan is the largest, densest borough, as well as one of the world's most important financial, cultural and commercial hubs. Central Park, the Empire State Building, and the neon-lit Broadway theater in Times Square are among New York's most iconic sights.

The article focuses on the top recommendation from the experts for the best attractions to enjoy in New York. For the report, travel experts were consulted for their professional views on the best places to visit and iconic recreational spots. New Yorkers were also quoted in the article. The final compilation and review of the report

were overseen by Spice Market New York?s team of experts. The experts interviewed for this article discussed the top 12 places to visit and what they offer.
