3 Monkeys Inflatables has been in business since 2007, serving the communities of Red Lion, York, Dauphin and so on. In that time, they have established themselves as a trustworthy name when it comes to party and event rentals. The company has a wide variety of options for customers to choose from, and their inventory includes everything from water slides and bounce houses to specialized toddler bounce houses, photo booths, carnival games, inflatable movie screens, mechanical bulls and more. In addition, they also have tents, tables, chairs and so on. The company is proud to say that they also offer bigger attractions like mobile escape rooms, euro bungees, VR setups, trackless trains, giant games, mobile mini golf courses and virtually anything else a customer may want.

Pam Corsner from 3 Monkeys Inflatables says, ?If you are planning on throwing a party in Pennsylvania or Maryland, you can rest assured that, whatever you want, we have got you covered. 3 Monkeys Inflatables offers the best selection of party supplies in the entire state, and over the past 13 years, we have done more than just rent out bounce houses and water slides. We have supplied church events, school events, field days, college events, company conferences and more. We were not voted as the #1 party supply company for no reason, and we look forward to proving it to you!?

The company has a 24/7 reservation listing that allows customers to book any time of day, 365 days a week. Additionally, they are committed to being highly responsive on text, phones, and email to ensure they continue to provide their community with the impeccable customer service they have grown accustomed to at 3 Monkeys Inflatables.

3 Monkeys Inflatables was started by Pam and Steve Corsner in 2007 after they tried and failed to find desirable water slides for their son's birthday. Thinking they could offer a better water slide experience with better quality inflatables, better customer service experience and even cleaner, well-kept equipment, they set out to create an inflatable rental company. This company eventually grew into the statewide sensation 3 Monkeys Inflatables is today.

The services provided by 3 Monkeys Inflatables have established them as one of the best party supply providers in Pennsylvania, as is evident in their Google rating. The company has a 4.8 out of 5 Star rating from over 110 reviews. Megan C. writes, ?3 Monkeys Inflatables made it so easy to book inflatables for our neighborhood event. And the bounce house turned into the highlight of the event for the kids! Their staff was friendly, very responsive and helpful throughout the booking, set up and take down. Would highly recommend 3 Monkeys Inflatables, and we hope to use them again next year.?

Courtney T. says in their review, ?3 Monkeys Inflatables was a pleasure to work with. My son decided at the last minute that he wanted a bounce house and cotton candy for a birthday party. They were able to get us in and were very competitively priced. When I called, the rep that I spoke with was very kind and had everything set up in no time. Their emails were informative, and it was nice being able to get in touch through text messaging for quick information. Delivery was super smooth and took no time at all, and pick up was the same. We will for sure be working with 3 Monkeys Inflatables again! Thank you so much for making my son's ?best party ever?!?
