One of Bounce Orlando's more popular rental options is the Character Themed Bounce House. In the eyes of a young child, little is more exciting than for them to see the stars of Disney's Frozen ready to welcome their guests. This particular option features Elsa the Snow Queen and Princess Anna along with their friends Kristoff and Olaf. Bounce Orlando has a great selection of other themed bounce house rentals for all of their customers. Customers can choose their favorite big screen stars from movies like Cars or cartoon characters like Dora the Explorer, Sponge Bob Square Pants, Mickey Mouse and much more.

The company also offers Combo bouncer rentals which are packed with additional elements to make the event even more exciting. These fun inflatables have the popular bounce area that have made them a

favorite attraction among the Orlando community. The additional elements, like climb & slides, popup obstacles, tunnels and basketball hoops add more value to the rental itself and to the event it was hired for. A customer can also choose from a large selection of character themes, dinosaur themes and units customized for their event. Learn more here: <https://www.google.com/maps?cid=16896553429391178760>.

Bounce Orlando's rentals also include water slides, some of the most popular of which include the Giant 22ft Tall Tropical Blue Crush Water Slide, 16ft Dual Lane Volcano Waterslide, 18ft tall Dual Lane Tiki Plunge Water Slide, 21ft Electric Water Slide, and the Big Kahuna Water Slide. Bounce Orlando also has one of the largest water slides in Central Florida, the 27ft Dual Lane Lava Rush, and many more Bounce House/Slide Wet Combos. The company offers Orlando's best selection and prices, and customers get reliable service they can rely on with guaranteed on-time delivery. A customer can choose popular character-themed water combos or get one that says "Happy Birthday" in a way they'll never forget. The addition of one of the Slip & Slides can also make the event more memorable.

With the warmer seasons right around the corner, the company expects to see an upswing in customers who want to head outdoors and enjoy the sunshine. As such, customers may expect a few challenges finding the party rental equipment they want in times of high demand. Fortunately, Bounce Orlando boasts a massive inventory of water slides, bounce, and slide combo rentals as well as other items that will help ensure every customer has an opportunity to find something they like. This inventory, the company explains, includes themed rigs that children are especially certain to love, and Bounce Orlando has made it a point to acquire a number of items emblazoned with media from popular franchises.

Interactive Games are another great way to add excitement and fun interaction among guests. These game rentals are designed to get everyone involved and include skill challenges, competitive elements and so on that inspire friendly interaction with all of the guests. A customer can choose from Bounce Orlando's large inventory of inflatable games, like Human Foosball, The Wrecking Ball, Dunk Tanks and adrenaline ignited sports games, to get everyone involved. These make perfect selections for events organized by schools, churches and company picnics. The company also has their customers covered if they want to organize a Foam Party, with plenty of customization options.

Bounce Orlando has been serving the greater Orlando area for over a decade, with more than ten thousand successful events under their belt and an equal number of happy customers along the way. The company offers both on-time and cleanliness guarantees to give customers the peace of mind that their event will be an incredible one. The company takes great pride in their customer communication and product knowledge,

so a customer is never left guessing. Their cleaning process starts with a visual inspection, notation and repair of any damage or points of concern, so customers need not worry about the state of the rental. After the equipment has been cleaned and dried, it will be sterilized as well. Bounce Orlando is fully licensed and insured well beyond the requirements set forth by the State of Florida.
