Purav can pull from his well of experience to help clients who have no resort left, get the help they need to overcome a difficult legal situation. The time he has spent in the Illinois legal system has also allowed him to build fruitful relationships with judges and prosecutors which means that his clients get the assurance that he is a trusted figure within the system and his words carry the weight they need to turn the tide in their favor.

Purav?s recent history of won cases highlighted on his website demonstrates his ability to pull a favorable

verdict for his clients who might have the odds stacked against them. In a recent case about felony weapon possession that Purav talks about on his website, the defendant was at a party when police forced entry with a search warrant. The police alleged they saw D.D. carrying and attempting to hide a pistol in the kitchen. Through careful preparation and cross-examination of the State?s witnesses, attorney Purav Bhatt exposed the weaknesses in the prosecution?s case. The defendant was found not guilty on all charges related to the firearm.
