

Sorvita Announces And Celebrates Success With Coupon Offer

January 29, 2015

January 29, 2015 - PRESSADVANTAGE -

Sorvita Nutra Products, a leader in the weight loss and slim down market, has announced that their latest Sorvita Nutra Product launch called Thermogenic Weight Loss Formula has been a success. The company is offering a 50% off online coupon to all customers who order using the code THERMO50 during checkout on the company's amazon.com sales portal. All consumers who use this code will receive 50% off of a single bottle purchase, with a limit of one coupon per customer.

This offer from Sorvita will last until February 28, 2015, or as long as the product supplies last. The company has said the following regarding this latest offer and their celebration on their new success:

"We are excited to be able to offer our customers a great discount through this launch event. Our Prenatal Multivitamin has the essential 13 vitamins and minerals most recommended for a healthy mom and baby during pregnancy. Customers who are just now planning to get pregnant can also benefit by starting to take this one-a-day tablet now."

All of the products provided by Sorvita come with a 100% customer satisfaction guarantee, and more information regarding the guarantee and products can be seen through the website at <http://www.sorvita.com>. All of the products listed on the site are made in the United States and have been approved by the Food and Drug Administration. Some of the products also warrant free shipping and the website lists Discover, Mastercard, VISA, and American Express as accepted forms of payment.

The Sorvita Thermogenic Weight Loss formula comes as a fast acting liquid capsule and promotes fat metabolism, appetite control, and is formulated for the support of better focus and energy. The supplement combines three thermogenic blends such as their special energy blend, heat blend, and muscle blend. The end result which the company hopes to supply to their consumers are supercharged workouts and body fat reduction.

Sorvita Thermogenic Weight Loss products found on <http://www.sorvita.com> include white willow extract,

green tea and white tea extract, and Yohimbe and Caffeine Anhydrous as well as other natural and fast acting ingredients that are used by the company to promote the desired weight loss effect. With the new promotional code of THERMO50 customers get 50% off of one bottle, and if two bottles are ordered the Thermogenic Weight Loss on Amazon includes free shipping.

Thermogenic Weight Loss on Amazon is one of the preferred selling methods of Sorvita, and amazon.com currently retails the bottles for \$27.89 which is \$32.06 less than the regular sales price. Next day shipping, gift wrapping, and free shipping on orders of \$35 or more are also available through this particular sales outlet, although it is not the only place that consumers can find the thermogenic supplements made by Sorvita.
