

Tiny Rituals Is Offering A Collection Of Chakra Bracelets For The Body's 7 Individual Chakras

March 18, 2022

Encinitas, California - March 18, 2022 -
Online jewelry store Tiny Rituals has introduced a collection of chakra bracelets that are uniquely crafted to bring the body?s 7 chakras in full alignment and to unlock its full potential.

Chakras are a concept that originated in the Vedas, sacred ancient Indian texts that contain cosmic knowledge about the human experience and its connection to the world around it. As yoga and other new age philosophies gained popularity in the western world, it prompted those looking to learn from their teachings to take a deeper look into the lessons they have to offer.

The body?s Chakras describe its complex energy system. They highlight special points that correspond to bundles of nerves, major organs, and areas of the body that affect a person?s emotional and physical well-being. The full texts describe 114 chakras of significance but 7 of them are deemed to be critical to a person?s health and wellness. The chakras are thought of as spinning disks of energy (chakra is the Sanskrit word for ?disks?) that need to be kept open and aligned to be in tune with the harmony of the universe. Each

of the 7 main chakras has a corresponding number, name, color, specific area of the spine from the sacrum to the crown of the head, and health focus.

The gemstones from the Tiny Rituals chakra collection each trigger the nascent energy in 1 of the body?s 7 energy points. The Red Jasper gemstone brings the Root Chakra into perfect grounding. It allows the wearer to start with a strong base and lets their creative energy flow. The Carnelian gemstone offers quiet courage to the Sacral Chakra, rousing one?s intentions and gifting them a strong core so that they are ready when their manifestations finally step into being. The Yellow Rutilated Quartz clears the Lumbar Chakra, washing away all fear and lending one the energy for higher levels of real self-control. Rather than restraining oneself, this stone taps into intuition and improves willpower. The Green Aventurine glistens for the Heart Chakra. The golden-green light shines upon prosperity, bringing with it a sense of purpose and play. It?s a gem that strengthens friendships and invites close connections to bloom. The Lapis Lazuli gemstone taps into the Throat Chakra, releasing one?s inner power. For those who want to see the truth and speak the truth, this is a stone that heightens their psychic awareness. The Amethyst gemstone is for the Third Eye Chakra and brings a boost of sweet serenity. When one is calm and balanced, one can dance across the different planes of existence, tapping into deep spirituality. The Snow Quartz represents the Crown Chakra helping one stay fresh, focused, and committed to seeing their intentions through.

A spokesperson for the company talks about the chakra crystal bracelets by saying, ?The gemstones selected to grace our bracelets are meant to activate and align your body?s 7 chakras and bring balance across your body, mind, and spirit. Each gemstone serves to unlock the latent power of a particular chakra. Your entire being will be in continuous and beautiful tree-like flow that will radiate outwards and get others in your life to notice. You might even get compliments that something is different about you as the gemstones get to work influencing each of the 7 energy points in your body. We are confident that, whether you buy the entire collection or just the bracelet that you need to resonate with the energy that you are lacking in your life, you will reach new dimensions of spiritual, physical, and mental awareness. Browse our website and pick out the chakra bracelet that is right for you or take a gander at the entire collection to be prepared for anything that life throws your way.?

Readers interested in finding out more about the set of gemstone bracelets can head over to the Tiny Rituals website to browse the collection or other products such as the chakra set of 7 recharging stones, chakra tower, chakra worry stone, chakra sphere, chakra pyramid, chakra heart, and chakra psychic mala, a stringed bead of high energy gemstones.
