

My Pro Movers Sponsors The 2022 Nowruz Celebrations at Hilton McLean Tysons Corner, Virginia

March 17, 2022

Washington, District of Columbia - March 17, 2022 -
My Pro Movers & Storage, a moving company from Northern Virginia, was chosen as one of the sponsors for the Nowruz Festival that was held on Sunday, March 13, 2022, from 10 AM to 6 PM at Hilton McLean Tysons Corner, in McLean, VA.

Nowruz is the Persian-language term for the day of the Iranian New Year. The Nowruz Festival website describes it as ?a festival that embodies a wealth of ancient rites and customs and is about the only one in Persia which is not confined to the traditions of a single religious group. It symbolizes that continuity of the ancient Persian culture which has survived so many adversities and vicissitudes.? It begins on the first day of spring marked by the vernal equinox, or Tahvil, which is generally on March 20, 21, or 22 every year, the day the sun crosses the celestial equator.

The Virginia Iranian American community organizes its Nowruz Festival a week before the actual day of celebrations. The Nowruz Festival website described this year's festival as a free event that had more than 75

booth vendors and was held indoors (Nowruz Bazaar) and outdoors (live entertainment) at the Hilton McLean Tysons Corner. The organizers say that every year the free event attracts thousands of visitors who come for the music, dance, dramatic performances, shopping at the Bazaar, and costumed characters roaming the festival, and this year was no different. The organizers also say that the festival was open to everyone, not just Iranian Americans, as it welcomes everyone who wants to learn from new cultures and broaden their horizons.

A spokesperson for the Northern Virginia moving company talks about its sponsorship for the 2022 Virginia Nowruz Festival by saying, ?We are thrilled to have been a part of the celebratory spirit of the Iranian American community who engaged in festivities on Sunday, March 13, 2022. We are honored to have been given the chance to support such an important yearly milestone that is held in high regard by the vibrant, educated, and entrepreneurial Iranian American community. The Nowruz Festival is a part of 3000 years of customs and traditions. The festival has endured the march of time as the Persian people have kept their faith and beliefs alive for millennia. To be a part of their celebrations makes us feel spiritually and culturally elevated and allows us to learn from the wisdom of the Iranian diaspora. We would again like to thank the organizers for giving us the sponsorship opportunity and we wish them the best of luck in their future endeavors. We hope to be back as sponsors next year too to continue enriching our knowledge and business acumen from this enthralling cultural experience.?
