March 14, 2022 -
March 2022: Score LA releases a new article discussing key tips for structuring a plan. The report, published on Score LA?s website, was compiled using expert opinions on the topic. The report was released to help business owners develop a cohesive plan for marketing. The full report can be found here.

Having a plan gives the business something consistent to work from and holds them accountable. Writing and defining the business and strategy commits the team to deliver it. It gives them something to show the people involved in their marketing activity to help them understand their business and its audience. The publication analyzes how a business needs to develop an effective marketing plan. The experts in the report explained key points to consider when forming a marketing strategy.

For the report, marketing experts were consulted for their professional recommendations on structuring a marketing plan. Business owners were also quoted in the article. The final compilation and review of the report were overseen by Score LA?s team of business and marketing experts. The experts interviewed for this article discussed every aspect that influences a marketing strategy, from planning to execution.

Since its inception, business advisor Score LA has provided information, advice, research, reviews, comparisons, and analyses for helping businesses through marketing and business mentoring. The report was published as part of their regular research on business marketing for their readers.
