

Mindvalley Offers \$100 Discount On Annual Membership

March 15, 2022

AVENTURA, FL - March 15, 2022 - PRESSADVANTAGE -

Mindvalley, a self-improvement online learning platform, is offering a \$100 discount on its annual subscription. For a limited time only, people can get unlimited access to all courses for a whole year for \$399 instead of \$499.

Over the past few years, Mindvalley has been rapidly growing and has become the world's leading platform for personal growth education with over 12 million learners worldwide. It offers courses in several categories - Mind, Body, Soul, Entrepreneurship, Career, Relationships, Kids, and Teens and Parenting. At the moment, there are over 50 Mindvalley courses available on the platform on various topics, from wellness, fitness, and money and finance to finding relationships, self-love, and leadership. There are also more than 500 immersive meditations included in the subscription.

IMHO Reviews' latest article discusses how Mindvalley works and talks about its key features and courses. "Mindvalley is a one-of-a-kind learning platform. If you are interested in personal growth, spirituality,

wellbeing, productivity, and mindfulness, then you could really benefit from Mindvalley membership. I lost count of how many personal development books I read in the past and how many courses I took, and none of them taught me even half of what I've learned over the past year with Mindvalley," said Vitaliy Lano, the owner of IMHO Reviews.

"One of the things I love about Mindvalley is that it takes me just 10-15 minutes each day to complete one lesson. Like most people, I have a busy life juggling both family and my business, and I don't have much time for learning. At first, I was a bit skeptical, thinking that 15 minutes a day won't make a difference. But once I started learning I realized how wrong I was," added Vitaliy.

Mindvalley courses last 30 to 60 days and are divided into short lessons. Each day students complete one 15-minute long lesson and a short practice task. According to Mindvalley, their Quest method has a 333% better completion rate than regular online courses. Mindvalley teachers are experts in the fields of expertise, like the United Kingdom's number one therapist Marisa Peer, America's most famous Sleep Doctor Dr. Michael Breus, one of the top 100 fittest men alive today Steve Cotter, Japan's most influential money coach Ken Honda, innovative entrepreneur Naveen Jain, best-selling author Dr. Shefali Tsabary, and many others.

Mindvalley All-Access membership grants unlimited access to over 50 quests in the library, ongoing access to a private social network, daily live classes with celebrities and world-renowned experts, more than 500 meditations, and free certificates for certain courses. Four courses are not included in the Mindvalley subscription - Lifebook Online, Wildfit, Soulvana, and Evercoach. This year Mindvalley will release eight more Quests - A Journey to Infinitism by Mahatria, Building an Unstoppable Brand by Jeffrey Perlmán, Build Your Dream Community by Radha Agrawal, Course Pro by Jimmy Naraine, Magnetic Charisma by Vanessa Van Edwards, Sixth Sense Superpower by Sonia Choquette, The 3 Most Important Questions by Vishen Lakhiani, and Total Self-Confidence by Paul McKenna. All members will be granted free access to all of the upcoming courses, as well.

For those people that have been thinking of joining Mindvalley, now is the best time to do it. The \$100 offer is valid until the end of March 2022 and it will give a lifetime discount on Mindvalley annual subscription for as long as one decide to remain a member.
