Jacksonville, Florida - Jacksonville-based company Rainbow Notary And Nuptials is proud to announce that they officiate LGBTQ Weddings in Florida.

As mandated by law, being a notary in Florida allows them to officiate weddings. Rainbow Notary And Nuptial provides the ceremony and free consultations with the couple to craft the perfect service for their special day. After the ceremony, Rainbow Notary And Nuptials said, "We make sure to get the license filed with the proper Clerk of Courts."

Rainbow Notary And Nuptials Officiates with either of our four Jacksonville Wedding Officiants, including Selecia Young-Jones, Beth Briand, Glenn Guiler, and Kornika King. With its main office in Jacksonville, the company also covers the neighboring regions of Florida. They serve St. Augustine, Daytona, Orlando, Kissimmee, Tampa, St. Petersburg, Sarasota, and Miami residents.

"We marry LGBTQ people, straight people, black people, white people, people of color, tall people, short people, of every ethnicity, from every Nation. We marry everyone with a valid marriage license. Love is

LOVE, and we LOVE to marry people. We can marry you as a Notary, A Universal Life Church Ordained Minister, or as a Justice Of The Peace," says Selecia Young-Jones.

Furthermore, Rainbow Notary And Nuptials likewise offers a Premarital Course by Dr. Liliana Wolf. Florida requires a premarital class to skip the 3-day waiting period and save money.

Besides marriage, Rainbow Notary And Nuptials also offers virtual notarization, enabling them to provide an endless number of opportunities for clients to "meet" with the notaries. The firm employs Remote Online Notary systems that include Knowledge-Based Authentication (KBA) to verify the signer's identity and credential analysis on the signer's driver's license or passport.

Additionally, the technology enables customers and the Rainbow Notary And Nuptials team to conduct a face-to-face video conference that is recorded and archived for ten years and serves to protect and verify the transaction.

Throughout the procedure, customers may sign papers using their mobile phone, tablet, or computer from anywhere globally and email them to the Rainbow Notary And Nuptials in Florida. Once they get the papers, they are immediately transported to the Florida Secretary of State and returned to customers through FedEx.

Rainbow Notary And Nuptials also ensures quick and efficient notary services with their 24/7 service. Additionally, the Florida firm ensured that they had the appropriate personnel. The majority of them are notaries who are members of the National Notary Association. "Everyone is licensed, bonded, and insured," they continue.
