Rossella P. says in their Google review that the company is, ?Always on time (even early which my kids love). Prices are great! Always great customer service, easy to do business with. First time doing it on cement for our block party and worked just as good as being on grass (and actually cleaner because there was no muddy grass the kids dragged into the water slide). Always the best part of the party! The crew who come out are respectable and do a great job. Can't wait for the next party!?

Melissa E. says in their review, ?Bounce Houses R Us exceeded all my expectations. The customer service was incredible both over the phone and via email. Any questions I had were thoroughly answered. The contract for the bounce house rental was very detailed, and provided all the necessary information regarding weather, cancellations, etc. I was able to add tables and chairs at the last minute with no issues. The Halloween 4 in 1 bounce house was amazing, and the selection of bounce houses to begin with was impressive. The guys who came to set up the bounce house were prompt, efficient and super friendly. What a great company; I will definitely be renting from you all again! Thanks for a fun experience!?
